

Here is the rundown

🔥\$85 per firestick🔥

This includes the Firestick 4k, NEW from me & modified...ready to go with live cable.

🔥Includes priority shipping!

The Live cable includes:

- ✅ Live PPV events
- ✅ All Movie Channels
- ✅ All Sports Channels
- ✅ Adult Channels
- ✅ Movies & TV shows

You will need wireless internet speeds of at least 25mbps. You can test your internet speed here---->[speedtest.net](https://www.speedtest.net)

Here is the way the cable works as far as the number of TVs you have...

✅ Premium cable is

🔥\$35/month for 1 stream

🔥\$55/month for 2 streams

🔥\$75/month for 3 streams

It depends on how many TVs you watch at one time for example:

The way it works is by stream. So, for \$35/month, you get one stream.

This means if you watch it on the main TV in the living room and move to the bedroom to continue it the living room TV will cut off. Most people get one and upgrade if they need more down the road.
